Attractive, slim, fit and toned. Great arse and nipples to die for! Looks even better than in her photos.

The Story:

Having seen other reviews for her in Houston, I was delighted to discover that Alex had relocated to London. Alex has class, intelligence and elegance. She fulfilled numerous fantasies of mine, taking me places I had only dreamed of! She's happy to kiss, give BBBJ and enjoys numerous positions! She is a great teaser, lover, and appears to genuinely enjoy everything erotica has to offer. I had requested an introduction to BDSM and was provided the most sensual time of my life (She has a BDSM persona on her alternative Web Page: ms-abby.com). The menu is loaded with options, and all the items are available. She is an exquisite woman to see whether you desire fetish, elegant and sexy company, or anything in between! I will definitely be back.
