The Story:

Ava arrived a couple of minutes late due to parking restrictions. She looked so good I did forgive her. We have a chat and glass of wine to chill out for a bit. She was now feeling relaxed in my company and I felt bold enough to suggest we went into the bedroom. A quick excursion for Ava via the bathroom and she appeared in a great set of matching underwear. I joined her in a state of almost naked and jumped face down on the bed. Right away Ava proceeded to give me a massage, she tends to have a soft touch and knew all the right places to get you relaxed. After a while she made her between my legs and continued stroking. Instant hard on great result. I turned over which was fun as she decided to hold onto my bits and played away whilst I floated around heaven. Oral increased my pleasure, I had to tell her to stop. We laid side by side kissing and I got to play with her boobs and pussy. Once the condom was on she climbed on top so I could enjoy the view. Finishing off with missionary I emptied my load and fell back with a big grin on my face. We still had time left and I have to say that she did not rush off. As she went to leave I got a kiss on the cheek as she took my nuts in her hand!
