### The Story:

Long overdue report...Sheila is a wonderful sight and frankly i could have spent all day just kissing her amazing breasts and ass but thankfully she gave Percy enough attention to break the hypnotic spell cast on me as I followed her upstairs! after taking her boots (wow) off and oiling up the old man i felt a sudden urge of excitement so to cool down i asked if i could go down, Sheila tastes amazing and really gets off on patient oral, after I felt her thighs twitch against my cheeks i stopped and was complimented on my skills, which is always nice. Percy slipped in mish and after a little while those lovely long legs were lifted up giving a really deep thrust position, i could feel the urge returning so asked her to switch to doggy to finish, selfishly i just wanted another chance to admire her fucking amazing ass, finished and chatted for a few mins and left feeling on top of the world. Only wish i'd had the money for a few hours in her company.
