The Premises:

Very close to North Wembley station. Parking was free and easy. The area was busy and felt very safe.

The Lady:

She is a mid 20's beautiful blonde Hungarian. Her fit body and supply tone are very sexy. Her breasts very suckable. She is shaved in the pubic area and her bum is a sensation.

The Story:

You meet people who make you happy Sophie is such a find. I found that she really turned me on and her sense of humour was very attractive. She kisses with passion and all the services are real. Her pussy, mouth and arse are all available and with the appropriate protection provide a lot of fun. She fucked me, sucked me and pulled me and kissed me to a pleasure place. Cumming on her breasts was my highlight and watching her pleasure herself with abandon. I will return and create the fantasy that Sophie will certainly deliver on.
