The Story:

Millie is the best black girl i have ever seen with and the best body. Its been a while since her days at Annabellas that i last saw her but it wont be as long untill next time. Sex is always good with Millie and today was no exception she felt nice and wet at the end which is always a good sign

Only down side the wig you have lovely natural hair go back to it PLEASE you ll always be special with or without though take care babe xx
