The Premises:

My 1st visit to Ego Massage. I have previously visited other premises within this "MK chain" and as with all of them very clean and tidy and a totally safe environment.

The Lady:

Very pretty blonde hair lady in mid to late 20s. Pictures on website obscure her face; worth making a visit to see the face as well as the rest of her.

The Story:

My 4th visit to see Sally. Previous 3 times were in two London locations over recent few years; last visit over 6 months ago. As she now rarely visits London I decided to venture to MK and on this day she was at Ego Massage. She also works at Annabellas. This was my first visit to Ego and despite more limited services than elsewhere beomg on offer was more than satisfied as I left to walk back to the station just about avoiding the April showers.

Was warmly welcomed; we had been corresponding via Twitter over recent months so she was aware of my visit. She is quite talkative and having corresponded over Twitter gave us much to talk about.

As for the physical side of my visit; all I will say is that I received a very lovely massage from sometime who clearly knows how to give a very good massage. And then a very happy ending at the end.

After a shower to get clean I left with a big smile on my face.

Sally Thank you again for a lovely time; I will definitely visit her again.
