The Premises:

This is a first floor flat about a 5 minute walk from Lewisham Rail Station. The surrounding area has improved vastly and this flat in a parade of shops is very clean. As seems the way with Chinese escorts, a man lets you in and out of the building.

The Lady:

Vicky is a small Chinese girl with 34B breasts. She was very sexily dressed in a white, figure hugging dress.

The Story:

An enjoyable session which basically consisted of a lot of caressing culminating in a slow, teasing hand job. I think the normal set up is for massages, but there were condoms on the bedside cabinet which indicates covered sex is possible.

I believe other girls work at this location.
