The Premises:

Well reported and at that time of night actually easier to slip in and out off unnoticed!

The Lady:

I was shown to the room by the receptionist and at first Jenna arrived however she introduced herself then asked if i would like to meet the rest of the girls, this is a first here as i've never had this choice before when visiting so accepted. In turn each girl came into the room and introduced themselves and they where all stunning, so much so i forgot most of their names (Sorry Girls!) but only one stood out, Joanna! this sexy Thai cutie, early to mid 20's, fantastic enhanced breasts with lovely round bottom and a smile that really did light up the room.

The Story:

Arrived on a whim after a meal out with friends ended earlier than expected so decided to finish the night with a bang. Arrived and decided to go for an hour massage with jacuzzi, as enjoyed the last one of these i had here. after picking Joanna I stripped off and lay ready for my massage, this was one of the best I've had here, though I think she was a little worried about hurting me as she was really going to town on my back! She asked what I would like as an extra and settles on OWO which came as part of a hot and steamy body to body massage and it was exceptional finishing with me making a bit of a mess of both of us!! After cleaning me up we both jumped into the jacuzzi for a proper clean up and again this was fantastic, Joanna paid attention to my signals on what I enjoyed and used her skilled hands to full effect!

My only regret, I didn't book her for longer than an hour!
