### The Lady:

Great boobs (not real) Older than I thought she'd be from her age on website but still the kind of woman I'd be happy to fuck in a club.

### The Story:

Debbie was polite and made me feel at ease. There was this feeling of "I'm gonna fuck my aunt", about the whole thing, but I decided to visit an older woman for the fact that my last few punts with young Eastern Europeans left me feeling robbed.

She then tells me she had a mouth ulcer. I was pissed at this. This meant no OWO. She was surprised that her friend Jacky hadn't mentioned this on the phone. I went down on a smelly pussy, (just needed a fresh wash) and then she sat on top and fucked a little. She gave a good blowjob and stayed true to her profile and let me unload my cum all over her pretty face. Mentally this was a turn on and make me want to return, to get that owo and then flip it out to do the business on her face.
