The Story:

Used other reports to decide that Adele ticked all the right boxes.

If there is such a thing, this was the perfect punt, in that it didn't feel like a punt, if that makes sense. Adele physically is my dream woman and certainly pushed all the right buttons during our time together. Adele is one sexy lady who just oozes sex appeal.

Lots of DFK, oral and RO involved culminating in a crescendo cowgirl style. I've always said I'd never visited the same lady twice (variety is the spice of life as they say) but after this meeting, I will certainly try to book Adele again and again and again....

Adele is even worth buying a new pair of boxers for!
