The Premises:

Larissa's flat is discreetly located in an anonymous block not far from the centre of Chester. (Although I know Chester well, I got a bit lost so perhaps a sat-nav would have been useful.) Parking is secure, and entry to the flats is via an entry phone. There is a lift but she is only on the first floor. I did not see a soul and felt both myself and my car to be quite safe at all times. Her flat is clean and tidy and there is an en-suite shower room.

The Lady:

Beautiful! That's the best way to describe Larissa who is in her mid-twenties. Blonde, slim figure, lovely small but pert breasts, erect, suckable nipples, fully shaved, and with a jewelled navel piercing. I could not believe my luck! She has a warm and friendly personality, takes a genuine interest in you and sets out to fulfil your needs. A really nice woman.

The Story:

I entered to find Larissa waiting for me, totally naked apart from a brief pair of white lacy panties. Wow!

I was offered a shower and a drink and we began with a massage - but not before I asked her to remove those panties. The massage rapidly turned into sex and she gave me expert (covered) oral before I parted her legs and went down on her to return the pleasure. Kissing was not open mouthed but still good. I came before my time was up so Larissa resumed the massage while we talked - discovering to our surprise certain things in common.

She is highly sexed, fully bi-sexual (I'd love to have a FFM 3-some with her!).

Treat her well, guys, and Larissa will make your day.

And thank you Larissa - 5 stars! I hope we shall meet again soon.
