### The Premises:

decent size, clean, neighbourhood felt fine

### The Lady:

small, pretty, slim. slightly more bum than other small slim asian girls, but thinner than pics. small natural breasts and good nipples - just right for me, I really hope she doesn't get implants as she suggested

### The Story:

we did all that i wanted. she gave great rimming, enthusiastic and skilled. she didn't seem so keen on kissing and daty but her overall performance was very good. she had a great attitude, energetic and good bj technique. although advertised as all services, she said she couldn't do a level as she was sore (language barrier made it a little unclear) but I convinced her to go for it, I was careful and she took me well, no problems for me or her. no clock watching and very friendly, all round excellent service
