The Story:

i booked Nancy for 1 hour visit at her apartment i arrived on time and looking sharp !
she welcomed me in and we chatted for a while discussing my needs
everything was great and she started to strip me and i got hard straight away suffice to say i didn't
last long on the first round
her oral skill are great and we continued this with lots of different sexual positions as well she gave
me a great massage after as well so i could get my breath back
all in all a great hour well worth the money
