The Premises:

Went to one of my usual haunts on Narborough Road expecting to see a Thai girl or if not to enjoy Malee's company. Greeted warmly by Malee who recognised me immediately. I asked her who was working and she said a very pretty girl so I went up to the room and paid ?60.

The Lady:

I was suprised to meet a rather gangling 5'9" 25 year-old dark-haired Russian lady.Slim with small tits and shaven pussy. She said she was from Moscow and had been here 2 months. She spoke very good English.

The Story:

Settled on the bed for a relaxing massage and after 30 seconds asked me what services I required. I knew then that it wasn't going to be a good punt. Elected for oral and sex. But told no OWO. Shortly asked to turn over and she applied a condom without any effort to get me hard. I really hate that. Even if it has to be oral with at least some time could be spent with the hands.Her oral skills were basic though she did try eye-contact. Before I was properly hard she asked what position I wanted. To get out of there I elected cow girl and she rode me hard until I came in a less than satisfactory climax. She quickly cleaned me up and got dressed. Far from the experience I was hoping for - no warmth,no cuddles, no kisses and no OWO. Would have told Malee about my experience but had to let myself out.I hope she reads this report like I showed her. I will check next time to avoid Edna.
