The Premises:

Safe residential area near station. Smallish but clean and tidy bedroom. Parking in road.

The Lady:

Mai is from Thailand, about 5' 2", not slim but pleasantly curvy, about 36C. Age probably late thirties but looks younger.

The Story:

Started off with a massage which gave me an opportunity to chat to her as her English is okay. Much better when you can have a chat. Turned over and gave her breasts some attention. Suggested I give her oral so on with the condom and into 69 at her suggestion which was quite okay by me! Then more oral on her and into mish. Asked for doggy and gave her a good pounding. I think she may have applied a little too much lube and I was afraid I wouldn't come but got there in the end.
