The Premises:

1st floor flat above shops. rear entrance from alley. typical self contained room, not spotless but suitable for use. very nicely excluded from busy main road

The Lady:

not as picture on web site but pleasant enough. thought she was 18-19 but told me she was 25. nice enough to look at. stud thru her tongue. a couple of tats. about 5'5. perfect bum & breasts to match her figure

The Story:

visited her due to price acceptance and was surprised about how much I enjoyed it. her bj technique was a little tame but her penetration was a lot better. she seemed to want to play with herself which pleased me. a nice kiss here & there was good. overall, very acceptable
