The Story:

In Birmingham with work so I thought I would try a different agency. I told the girl on the phone what I wanted and was recommended Katrina. She arrived and got straight down to business, I asked if we could skip the massage so she began by sucking my cock. She did something with her tongue that had me nearly ready to cum so I pulled her up and sucked on her tits for a bit. I then told her to sit on my face and licked her pussy. Then we fucked hard, she was vey flexible. We finished in the usual doggie style and I spunked on her ass. Warm and friendly lady. All in all a great punt.
