### The Premises:

Well reported establishment, good parking, nice clean room.

### The Lady:

Dita is petite, beautiful and a very sexy lady with eyes that mesmerise you. She has a flawless body with great breasts and a lovely bum. Her hair is slightly different from photos as she has had highlights but this adds to the appeal for me.

### The Story:

Dita arrived in the room with my drink and was very friendly from the off. Told me she was shy which must have been a tongue in cheek comment given her FR's. Went for B2B deluxe and Dita asked me how I wanted the massage at the same time as saying she wasnt very strong (more tongue in cheek me thinks)which was fine by me as a light touch is my thing. Massaged my legs and back very professionally and then turned me over and climbed on the table. She then rubbed her lovely boobs over all the right bits whilst seducing me with those very sexy eyes. I couldn't keep my hands off her gorgeous body, in particular her lovely breasts and Dita told me that I had naughty hands. However, they weren't as naughty as hers and she gave me a superb conclusion. Will definitely see Dita again but next time maybe at a different venue so as to sample her other obvious delights and skills.
