The Premises:

Very clean, big flat in an upmarket street.

The Lady:

Beautiful face, especially her eyes, and silky skin. She look at least as good as the pics, which aren't photoshopped.

She has imho the best proportioned body I've seen and knows how to make herself look good, Olivia has a lot of class.

The Story:

I've seen Olivia several times now, and have always had fantastic time. She always does her best to make me happy and always succeeds.

I don't know if to describe her as gfe or pse, but she fulfils all my fantasies. Just ask her, and you may be agreeably surprised?

I'm a one pop in an hour guy these days, so I usually resist cim, but with those eyes staring at me, I couldn't stop myself.

I'll be back again next week.
