The Premises:

I met Charlotte in a lovely flat not far from Stockwell tube station. I felt very safe, secure and everything from that point of view was very smooth and discrete. I have to say that Charlotte made making an appointment in itself an enjoyable and straightforward experience. In that the email and phone connection is warm, friendly, clear in her instructions regarding the location and one feels immediately a connection with her. So nice when this happens!

The Lady:

I am attracted by women who write blogs (we all have our weaknesses and vices!). The reason is because through their writings you come to know a little more about them - how they think, what they like, etc. Through Charlotte's blog you encounter a warm, sensual, giving and very very sexy lady...and that is precisely what greeted me as I crossed the threshold.

The Story:

Charlotte loves to kiss and be kissed as do - so on that front we connected and indeed I found a wonderful kissing partner!!

I have to say once the paperwork was out of the way (first things first!!) we retreated to the bedroom and play commenced.

For that is how I would describe my time with Charlotte: playful, fun and very very enjoyable at every level. I am sorry but I don't do the explicit detail thing (I'd be rubbish at it anyway) but a more sexually knowing, comfortable and understanding woman you could not wish to meet. I am by no means in my prime nor am I a Lothario or even a Casanova but Charlotte has that special skill/ability and made me feel great, although I sensed that she enjoyed the giving and receiving as much as I did. She however is in her prime - is there anything more lovely and delightful than a sexually confident woman in her mid-thirties who has a fantastic body (tits are fabulous, her derriere sumptuous and delicious to hold, her legs lithe and supple)? My only regret with Charlotte was that I tired too quickly and was sated and spent sooner than I had hoped - she, professional and wonderful lady that she is, is kindness itself on this front but I wished I could have found the energy to rise again to the occasion but it was not to be - there is always next time and it isn't a contest!!

Sadly, and this is so often the case, time flies when you are enjoying yourself, the 2 hours I had booked sped by.

For me Charlotte is a beautiful gem, a wonderful find, a kind, caring, intelligent and one hell of a

sexy lady whose company I hope to enjoy again before to long.
