The Premises:

Very secluded entrance off fairly busy road so felt very safe. Room was clean and comfortable.

The Lady:

Tiffany is a mature 5'8" Blonde with firm breasts and a great Ass. She also has a little bit of a tummy and fairly thick thighs but is very attractive for her age.

The Story:

I have been to see Tiffany in the past and have always had a great time with her. I chose full weight naked facesitting with watersports. I must say that this time spent with Tiffany has got to be the best facesitting experience I have had - she really took what I said and carried it out perfectly. The watersports she did while sitting on my face - fantastic lady. She was going to finish with oral (covered) but I stopped her preferring to finish off myself with her smothering me once more.
