### The Premises:

Spotlessly clean and tidy. Area was safe and with no car parking problems. No passers by and in a block of private flats

### The Lady:

Lovely 40 year old lady with large breasts lovely legs and fully shaved in all the right areas. Brown shoulder length hair. Very sensitive nipples.

### The Story:

Greeted with deep french kissing and with her being topless at the door this was very erotic. She was open to most things but the personal stuff was all fantastic. She really knows how to please a man and all the buttons to press. Lovely high heel shoe collection.
