The Lady:

Millie has an attractive and unique look with her pinky-red hair and tattoos, and of course a great petite body with big boobs.

The Story:

I had been hoping Millie would make an appearance in London for a long time, but then for one reason or another could not get to see her, I finally got to see her and the wait was worth it.

Showered and walked into the room to a smiling Millie who quickly stripped off to reveal her great body and started off with DFK. I loved her kissing, at one point gripped my head to kiss her deeper. She then moved onto OWO with me standing, which was good as well, taking me all the way down and a couple of times pressing against me with a bit of force to make sure it's all the way in her mouth. Then onto the bed for 69.

After a while decided to start off with cowgirl, I just laid back and enjoyed her grinding away. Moved onto brief missionary and ended in doggie. I was surprised I lasted as long as I did with her, but i was very glad about that!
