The Story:

pinky is a very sexy and cute thai girl

had wanted to see this little bundle of joy for a while now as she seems to tour quite a lot .
got to see her in bham city at her place showered there aswell

pinky is a very petite and busty and love her tits being played with
could of stayed there for the hour but wanted to cum inside
plenty of kissing and forplay with r/o she tasted very sweet too
2 pops within the hour for me left me knackered so pinky gave me a traditional massage after , felt
good cant wait to see her again
