The Story:

I have read a lot of reports but never felt strongly enough (good or bad) to write one. Well that has changed. First, she can actually do a proper massage - if you want one. I needed one and it was excellent. I wish I had booked longer. The body to body was fantastic and she has genuine eroticism that words can't describe so I will make one up. It was wahhhhhagggggghbewwoooooow !
