The Premises:

As described before - on a busy street near a some restaurants. Given that it is so busy, any unease is in your own mind - no-one'll notice you comeing and leaving. The staricase to her flat, could do with a lick of paint, but once inside, her flat was immaculate, comfortable and warm.

The Lady:

A beautiful, slim, diminutive thai lady. Lovely long hair, nicely enhanced breasts, pert arse. Her pictures aera good reflection of who you will see.

The Story:

Shakira offered me a drink and we settled the paperwork. She undressed me with some french kissing and a little fondling, then lead me to the bathroom for a wash - plenty of attention paid to my cock with both hands and mouth and I had the opportunity to fondle her breasts, bum and pussy.

Out of the bath and back to the bedroom, where Shakira started with excellent oral that I had to stop before I came. I returned the favour before it was on with the condom. A little missionary, followed by doggie before I came, rather too quickly :-(. After a little clean up I was treated to some excellent massage, then onto my back for the most enthusiastic oral to make me stand to attention once more. I have never managed a "second coming" but Shakira's ministrations were amazing. A marathon of oral followed by an excellent right-handed working of my cock was very enjoyable. We then finished off with 15 minutes of cowgirl then missionary, during which time Shakira came, but I did not. At this point I gave up and had a shower and said our goodbyes. No clock watching and an excellent punt.
