The Premises:

Modern looking flat, clean with discreet entry at rear which was great as nobody really noticed me come and go.

The Lady:

Darcy is tall, curvy with long blonde hair and amazing large natural boobs. She greeted me in a lovely dress and heels and had a very natural, chatty personality which made me feel quickly at ease and relaxed.

The Story:

After being offered a drink and little chatting I was shown to the bedroom to get ready. I had asked for GFE and the session included some of the best kissing and fondling, followed by one of the most teasing oral experiences I've had and then penetration in several different positions. Darcy finished me off by letting me slip between her beautifully large boobs. One of the most enjoyable hours I've spent with a classy lady that really does seem to enjoy her work! I will be returning.
