The Premises:

Lovely place, easy to find and very discreet. You park a minute away in a side road and walk to Christy's house.

Inside is very tastefully furnished and spotlessly clean.

The bedroom has a beautiful, huge and very comfortable bed with clean sheets.

The Lady:

All the usual adjectives about beautiful women come to mind and I could list them here for ever. She is really lovely. What really comes to mind is that her personality comes across in everything she does. Her smile is infectious.

The Story:

For the hour you are at the centre and the focus of her attention. This is an hour of uninhibited fun and frolics.

The exact details are private and very personal and will remain between us.

This is fantasy time, if your ultimate fantasy is about making love to a beautiful warm woman then this is it. It is worth every penny and I will be back as soon as I can.

Treat her very well, respect her as a person and I can assure you that you will have a fantastic time
