The Story:

Referring back to report 108699 ? I took up Chloe?s offer & rang her to discuss the report; what a great conversation I had with this lady. Suffice to say that what occurred on my last visit was the result of a misunderstanding with regard to the services offered, this has now been rectified with a slight change to services offered by the lady in question; who on reflection I would see again.

Details of today?s visit will remain between the little ?sex-pot? that is Kiera & myself ? however, if you want a raunchy time with a girl who looks like butter wouldn?t melt in her mouth, then go see Kiera ? you will not be disappointed - ALL service shown as offered are indeed offered!!!!

A big thank-you to both Chloe & Kiera for restoring my faith lol xxx
