The Story:

BE AWARE OF THIS GIRL. Made an outcall appointment through a well known escort adult website. She is known as Indian Honey Shazia". She came across as an independent girl who did this as a part time occupation. After numerous emails arranged to meet at an outcall at a hotel I was staying at outside leicester for an all nighter. She arrived at 10pm, we exchanged pleasantries when she asked for the cash, which I promptly paid (?550). This is where it went wrong and I should have known better....she said she had to pay her driver and pick up her bag and would be back i two minutes.....yes you guessed it, she didn't come back, I can't belive I was mug enough to fall for this as I have been punting for over 25 years,,,,never too old to learn. just hope no one else gets ripped off.
