The Premises:

one of the usual hotels just off High Street Kensington. If you've punted much with Max's Angels, you've been to this hotel.

The Lady:

Not quite how she looked on the website; in the flesh Holly was softer and more gentle in appearance. But still f*king gorgeous :-) Tall-ish (in her high heels), smiley face, great legs and fantastic breasts.

The Story:

Holly was really friendly from the start - gave me a bit snog to say hello (which obviously got me going). Finances sorted out, then a shower, then the fun began. She was completely natural throughout, like the horny, slightly slutty girlfriend we can all remember (or wish we could!).

Started with a lap dance, which moved on to the inevitable bj. Boy, this girl can suck. Amazing to be seated in a chair looking down on that gorgeous face bobbing up and down. Moved to the bed to continue, a tit-fuck, then came in her mouth. Mmmm. After some chatting - and she's fun to talk to - we moved on to round 2, which ended explosively in missionary.

The time just flew by. A great shag with a great girl. Holly I'll see you again soon!
