The Premises:

Very clean, easy to find, safe, discrete apartment. Very nicely furnished, great facilities, but watch for the parking!!.

The Lady:

As per her pictures in her profile. Olivia is 5'6" tall with shoulder length auburn hair, and very nice, firm size 14. I found her very attractive.

The Story:

Well ... having arrived to find this very attractive lady welcoming me into her home, I first showered to ensure I was clean enough for her to eat her dinner off (not that this was a sploshing session). So following my shower and some very nice kissing it seemed only fair that Olivia remove her dress, revealing a very nicely proportioned, firm body. We both started to indulge in exploring each other; Olivia gives an amazing bbbj that took me to the edge several times. I wanted to return the favour and taste her so she sat astride my face and ground herself to a lovely, wet orgasm. I was brought to the edge again through her fantastic oral, and then it was on with the condom for sex in missionary. I lasted as long as I could, came over her stomach, we flopped, cleaned up, chatted like old friends and I left. A wonderful time with a wonderful woman.

Thanks Olivia :-) xxx
