The Premises:

Met at Heathrow airport hotel, very easy to find, discreet and had no problem in getting access to her room. Easy entry and was met at door by the lovely April, a sexy girl who knows what she is doing. She exudes sexuality even fully dressed a real lady but very naughty.

The Lady:

Fit body, sexy ass, very tight pussy and lovely suckable lips . Long black hair, nice features. She has a stunning figure, soft skin , magnificent bottom and gorgeous legs . The nice dress and gorgeous black heels and stockings show her attributes to the full.

The Story:

April is very professional seems to genuinely enjoy company and doing what she does. She definitely isn't in a rush to get you in or out and never clock watches and you are the most important thing to her when you spend time with her. We had a great time she made me feel very relaxed from the first minute , we had a laugh and she made me feel at ease . April is great company and very clean and absolutely stunning. She was friendly, provided a relaxed un-rushed experience, and I had an enjoyable time !
