The Premises:

Inna's flat is in a nice area about 5 minutes walk from South Kensington tube station. It is tastefully decorated and well tended.

The Lady:

The lady you see in the pictures on her website is the lady that you see in the flesh. Blonde hair, beautiful eyes, lovely breasts, overall a lady with the wow factor. Her website claims she is 32, but she looks a little younger to me.

The Story:

I arrived at the appointed time and Inna opened the door promptly (note that her door opens outwards, so don't be caught out). I was shown into her flat and offered a drink and we sorted out the paperwork. Inna offered me a shower, an offer I took up and so we went through her bedroom to the en suite bathroom. Refreshed and clean, I re-entered the bedroom and we started snogging. Amidst mutual groping, we gradually got Inna to the same level of nakedness as me and retired to the bed for some great snogging and general groping before I made my way down to her pussy for some RO via her magnificent breasts. We transitioned to 69, and then some extended RO, before donning the condom for missionary, doggie and reverse cowgirl to finish. The former and latter positions allowed me to feast my eyes on Inna's pretty face and tits. A delightful post-coital chat about this-and-that, before a shower and departing into the heavy London rain. A great way to spend an hour, and having long harboured a desire to see Inna, the meeting was not remotely disappointing.
