The Premises:

Basement flat on Westbourne Terrace. Lived in, medium sized bedroom, small bathroom

The Lady:

Petite, sexy, good looking Bangkok girl. tiny tits with massive nipples like dials in a fighter plane. Lock on and fire!

The Story:

Booked through another agency but stated this one because in.vasian not listed - which is a sham as they are refreshingly open and honest both on the site and on the phone. Arrived on time, rang the bell, entered the flat, found a very sweet girl dressed in rubber and heels, paid the money and was left to shower on my own. After the shower Offered wine (red, decent, probably a cab sauv/merlot blend - perfectly drinkable). While drinking, Cindy started to suck me off, and as I got hard she took my entire shaft into her mouth. wow!

She is proactive, sexy and lithe. She works hard and worries if you don't keep your end up. condoms tend to make me go flacid, so the sex didn't result in anything, but after wanking her off which she seemed to enjoy I face fucked her and spunked a load down her throat. She was game and making great noises of encouragement throughout. This girl is a trouper.

The only downside was she didn't want to kiss. because of a cold she said. A huge upside is she was totally attentive (no annoying texts) gave a great massage at the end, and her clock is accurate! (How many times have I left an apartment on the hour to find it's actually ten minutes to? - loads, but not with Cindy)

all in all avery good punt. The agency was offering a 135 promotion, so great vfm too. Cindy's a good girl and I recommend without reservation
