The Premises:

Easy to find, regular looking block in central MK.

The Lady:

Jade is just stunning! She has long, dark brown / black hair which is parted to one side and falls in loose ringlets down the other. She has big breasts and stands about 5' 5". She has a fantastic body and a shapely ass. She is like her pix, especially her body - the only difference between the images and reality is that her hair style is changed and her face blurred. In real-life she is just beautiful and lovely.

The Story:

Been trying for a while to see Jade in Sth Ken - but never quite managed it. So instead, took a day off work and fulfilled my long-term aim of punting in MK.

Once I was in the room Jade walked in wearing bra & panties with another larger bra on and a see-thru girdle. She had on black nylon stockings, which remained on thru-out the hour, and high-heeled perspex heeled shoes. Just one look at her and I knew that this was going to be a fantastic hour. She was to give me a sensual and fulfilling time, consisting of GFE and FK.

Proceedings started off with a (solo) shower and then a fun time with us romping on the bed. This led to OWO and then CG. The highlight of the moment for me was watching her rear in the reflection in the mirror at the foot of the bed.

Much of the rest of the time was taken up with more OWO and mutual play and RO. I certainly had a fantastic time exploring the body of this Brazilian beauty with my lips. Then there was more OWO and proceedings was brought to an end with an oily HJ.

I was certainly glad that I had finally caught up with Jade as she does not disappoint. And I will definately want to visit her again - whether thats in S. Ken or MK.
