### The Premises:

She was located in a hotel about 5 mins walk from Kingston rail station. It looked rather grotty from the outside but her room was clean & pleasant enough & fit for purpose. I felt perfectly safe.

### The Lady:

Very pretty Filipino girl. Slim & petite with a very well toned & sexy body. I would say about 25 years old. Long dark hair.

### The Story:

This was one of those special punts that we punters dream about. She looked gorgeous in her pictures and was warm & friendly on the phone. I was looking forward to something special and was certainly not disappointed.

I rang her from the lobby & she gave me her room number & actually came out to meet me by the lift. I was knocked out by her pretty face & lovely smile. I told her later that she was one of the nicest girls I have ever met & I meant every word. She was sweet & obliging & provided the most sublime GFE.

I paid her & she undressed to reveal a gorgeous body as described above. She gave me some lovely massage using her nails to full & gentle effect in all the right places. We did a bit of kissing & cuddling & then I went down on one of the sweetest pussies it has been my pleasure to taste. She seemed to enjoy my attentions.

She gave me a lovely BBBJ finishing with CIM. I don't know if she swallowed or not but I think she did go to the bathroom to spit out & if I remember correctly swallowing was not on offer & we certainly had not agreed to that before we started. I felt more than happy with her service & will give 10 out of 10 on all counts. I wonder if I dreamt the whole thing. It really was one of those dream punts.

What more can I say. I can't wait to see her again. Please treat her nicely since experience has taught me that such a lovely working girl is a rare thing & I sincerely hope she does not become hardened by meeting any unpleasant customers but you are all nice people aren't you?
