The Premises:

Massage place in Braunstone with the famous or infamous red gate! Clean well run place by very friendly, and nice oriental madam. A one girl joint, but Mainly Korean girls who claim to be Japanese why I don't know, on a weekly rota. So you may catch up with this one on the circuit around GB! The other rival massage one in Welford road seems to have closed? Anyone had any news on that?

The Lady:

Claimed to be Japanese, but I don't know and don't care. She was an attractive oriental, with proportional oriental boobs, delightful, dressed in parlour outfit with bra showing in open top, killer heels, and no nickers- already for it! Super enthusiastic!

The Story:

I opted for 1/2 hour at 50 but she was so good extended to 1hr! Full on kissing, She undressed me completely folding my clothes then straight into uncovered bj, then 69, then me on top and then a rest with nice oily massage. Then massaged her feet which she liked, then a cuddle, and then 2nd round again me on top. a great punt with a really enthusiastic girl that enjoys her work. Hope you catch up with her??
