The Lady:

Romanian girl. Cute face and nice personality, but horrid body. Saggy tits and a bit of a belly. She's 20 but has a kid, which shows. Bit of a shame really as this is the only downpoint. English is basic.

The Story:

Took a risk by seeing someone with very little feedback. She has a nice look about her going by her pictures. I can't fault her personality or service, both were very good. She has a good demeanour about her. Unfortunately for me her body is a turn off. It was your average punt, nothing spectacular but nothing bad either. If 20 year old milfs are your thing then I'm sure you'd enjoy seeing her but she's not for me.
