### The Premises:

Nice clean flat a few minutes walk from Oxford Street station - safe area but also discreet as it's a quiet side street. Well equipped inside with cosy bedroom and big comfortable bed.

### The Lady:

Slim but well proportioned young lady from Spain, lovely firm tits and tight bum - just the way that I like them! Angelina speaks perfect English and is very friendly and easy to get on with.

Angelina was dressed in a very alluring matching bra and panties with hold-up and high heels - very sexy!

### The Story:

All services were available without any extra costs - really good value in my opinion.

We started with a little kiss and cuddle whilst we slowly undressed each other then got onto the bed. Angelina slipped my hard cock between her full lips and gave me a good suck, sometimes stopping and licking up and down my shaft like it was a lollipop. I had to stop her before I came, so Angelina put a condom on me then I got her to lie on her back as I slipped into her hot pussy, which was nice and tight. I lasted quite well, encouraged by Angelina, until I came strongly.

Angelina got me a refreshing drink, then we sat there stroking each other, talking about various things for a while until I was ready to go again.

Angelina hadn't cum at that stage so I remedied that by eating her juicy pussy until she gasped and shouted something in Spanish as she reached her orgasm.

I love eating pussy and this made me nice and hard again so it was on with another condom and some more hard fucking, this time from behind, with Angelina leaning forward on the bed - this is my favourite position since I love to watch my cock going in and out of a tight pussy. All too soon though I felt the tingling begin to build and I erupted into the condom.

Angelina helped to remove the condom and helped clean me up before wrapping her arms around me and guiding me back to the bed.

More kissing and cuddling on the bed before Angelina asked me if I wanted to try for a 3rd time - what a girl - but I politely refused since I know my limits.

Angelina brought me a clean towel and I had a nice hot shower in the bathroom. When I went back into the bedroom, Angelina had put her sexy undies back on and looked so good that I couldn't believe my luck that I had just fucked this gorgeous Latin girl.

Angelina is a definite for my favourites list - maybe I'll get her to come to my place next time, perhaps with her sexy friend Lucy that she was telling me about.
