The Premises:

Fingertips is a parlour in Fenton which has become one of the best in the Potteries. It is well-managed, and the madam is helpful and welcoming. Fingertips is clean and warm, with two downstairs rooms that are spacious and very well-appointed. The shower is good, but not en-suite. Upstairs there is a much larger room with en-suite shower & WC. Free parking is available, and there is a discreet entrance. There are TVs in the rooms.

The inclusive price is just forty notes, when lesser local parlours ask an extra fiver or more.

The Lady:

Britney is a Scouse lass who is 33 years old, but she looks five years younger. Slim and athletic, she has a pretty face, a nice demeanour and a lovely figure.

The Story:

I had seen Britney once before and was keen to see her again. She is passionate, fresh and versatile, and she offers a true GFE experience. She kisses nicely and is very sexy throughout. Afterwards, Britney stays and caresses and is fun to talk to. I intend to be seeing this lady frequently in future.

Very highly recommended!
