The Story:

This was a fantastic experience with a very high-class lady. Arranging same-day outcalls with indies can be so difficult to organise so I usually steer clear, but this couldn't have gone smoother. Within 2 hours, we'd spoken, booked a hotel and met. Abbi was bang on time, wearing the outfit I requested from her pics - a skimpy red top, denim shorts and heels. Mouthwatering!

Punters often discuss what exactly constitutes a 'Girlfriend Experience'. This was it, or more accurately, the 'first-time sex between two horny individuals who just me experience'. For most of our time, we kissed passionately and explored each other's bodies, we cuddled and had fantastic sex in whatever position seemed natural at that moment. There wasn't even the slightest hint of anything mechanical, fake or formulaic. She seemed to love the attention I gave her. When we weren't all over each other, we were chatting like old friends. I know its a cliché but our 2.5 hours together went by far too quickly.

Besides the sex, Abbi is a treasure. Drop-dead gorgeous, friendly, likeable and intelligent. Treat her well guys. You won't find many better.
