Notes: Formerly known as Attractions Massage. This agency has been found to have passed off stock model photos as their escorts.

The Premises:

Well documented, looks like a normal residential house, if a little run down, but the inside is clean and well presented.

The Lady:

Rihanna is a fantastic looking girl, very slim and with a big white smile, a very attractive woman. Her breasts have been enhanced, which is a shame as I don't really like that and would prefer smaller but natural breasts, but she does look stunning.

The Story:

Rihanna is physically a real looker, and she knows it "Pleased to meet me" came out as if it is said often. I went for my usual favourites, massage followed by reverse oral with doggy to finish. She seemed surprised when I asked what position she preferred to be in to receive oral and opted for 69 with her on top, usually a favourite of mine. I had to stop her going too far on me as I know I can't last long, while I ate her for all I was worth. Notably this was my first encounter with a pierced clitoris and I can't say that on this occasion it did anything for either of us.

Sadly, although my clit licking was not unpleasant for her, Rihanna is one of those WG's who wasn't going to reward my efforts with a bona fide orgasm so I gave up after ten minutes, let her get me ready and then we finished in front of the full length mirrors.

Maybe I wasn't quite in the right mood, but I didn't really get a connection with Rihanna and despite the amazing physique this punt lacked something for me.
