The Premises:

Discrete enough flat in a run-down part of Eccles. Plenty of parking on the site opposite.

The Lady:

Tiny Thai lady. I'd guess 5' tall, size 6 mid / late 20's. Attractive enough.

The Story:

Started with a decent enough back massage and before too long she had hold of my cock. If I was grading her on her hand job skills, then she's one of the very best. Unfortunately, that's not why I went there! Was granted RO but she wasn't very responsive so on with the mac for some OW. No DT as advertised. Into MISH but again, she's not at all responsive - except when I put a finger up her arse (anal play WAS advertised). After about 5 minutes she complained about being sore (??) and suggested I finish soon. Too be honest, I was pretty bored too so suggested she finish me off with one of her handjobs, backed up with some prostate massage. She reluctantly agreed (WHY advertise the service if you don't provide it?) and I eventually came. Despite the fact that she'd been saying I was out of time, when I checked my watch, we'd only been at it for ~ 20 minutes. So; pretty enough and compliant when I pointed out what she'd offered in the ad. Shame she's disinterested and a clockwatcher though.
