The Premises:

Debbie's is pretty well-known, but the shower has been replaced since my last visit, so that's an improvement!

The Lady:

Tara is quite petite, with nice slim body and smallish breasts with lovely big, dark nipples.

The Story:

There were no reports on Tara, so I thought I'd take a chance... and I'm glad I did. When she came into the room, she wasn't touchy-feely like some of the girls at Debbie's and she stripped pretty quickly for the shower, leaving me to undress myself (I like a bit of shared undressing). The shower was a bit rapid too, BUT... the longer I spent with Tara, the more I liked her. She's quite young, but she's smart and amusing.

She clearly wasn't keen on kissing, but once I offered to massage her, rather than the other way round, she started to relax - and she certainly seemed to enjoy it when I went down on her. Afterwards we had a chat - one of the things I like about Debbie's, even though there was someone waiting outside - and I really enjoyed my time with her. Tara's a sweetie - definitely recommended.
