### The Premises:

This was an outcall to my apartment in Canary Wharf.

### The Lady:

Very pretty, young English girl with body to die for - size 8, firm and perky breasts and the cutest bum that I have ever seen.

### The Story:

Paris arrived at my apartment on time and communication beforehand was excellent from the time that I made the booking.

I could not get over how attractive Paris is, even though I had studied her pictures before booking. Perfect make-up, sensuous lips and lovely long blonde hair.

After sorting out the financials, I led Paris into the bedroom and helped remove her clothes - she was immaculately dressed upon arrival and, when the top layer was removed, wearing very sexy underwear and stockings underneath - I was instantly hard!

After I had removed my clothes Paris knelt down and started to suck on my hard cock, smiling up at me as she did so. I had been excited about the prospect of this date all day so didn't last long - Paris allowed me to cum all over her lovely tits. Being a gentleman I helped Paris clean up afterwards.

I then asked Paris to lie on the bed so that I could lick her sweet pussy - I didn't have to ask twice as this is something that she obviously enjoys, cumming quite powerfully after about 5 minutes.

We then rested on the bed with a glass of wine that I had chilling in the room - real GFE stuff but without the baggage. While I was recovering we had a nice chat - Paris is a good conversationalist and told me about her other job (she escorts part-time), which is working as a dancer in a couple of clubs in the West End. I must go and see her since it would be a real turn-on to watch her dance knowing that I have fucked her!

Paris sensed that I was getting ready for round 2 and took my hardening cock back into her soft mouth and quickly brought me to full erection with a perfect technique.

Paris slipped a condom on me and climbed on board, lowering her pussy down on me slowly until I was all the way in - she was so tight it almost felt like a glove. We changed position several times before I had a really intense orgasm, which Paris enjoyed as well. This girl may be young but she certainly knows how to please a man and clearly enjoys her work.

I was done for the day after this so we had another rest and glass of wine, this time we got under the sheets which I find so much better.

This was a really great couple of hours with a truly delightful and enthusiastic girl.
