The Premises:

Abigal's isn't the most plush of parlours, but i dont go here for the wallpaper, the amibiance, or for wifi... it has a bed and bawdy birds... perfect

The Lady:

late 30's early 40's size 12? lovely big tits. Milfyness personified. and all the better for watching her arse walk up the stairs

The Story:

What a fantastic fuck i've just had! not been able to see Olivia since Cherrys lounge got busted, and i was just about to go and see another girl when i rang up abigals on the off chance, as soon as i heard Olivia was here, i Had the keys in the car and was nursing a semi.

met me at the door with a long kiss and an orange juice, then some lovely hard hand relief while we lay on the bed and played with each other. RO with her holding onto my head and grinding into me until she came noisily and hard... some fantastic OWO while she lay on her back and finished with a fantastic bit of mish, couldn't hold on any longer and filled the bag

. walking down the stairs afterwards i felt like i'd got 3 knees :) Fantasticly good sex and I will be back!
