The Premises:

My Place.

Cobbled lane, hell on the heels but it's "heritage"

The Lady:

Mid thirties, slim good legs, peach of a bum.

Enhanced boobs but but not "rocks on the chest" - wasn't sure until I noticed the very slight scars.

Anyway look and feel right on her.

The Story:

Over the years Prestige has produced a string of confident and sexily competent women, who seem to have a life elsewhere but enjoy the alter ego. Morgan is another.

Only booked an hour and once in my lair I just wanted to get my hands on the goods and see what she was going to do to me.

Her kinks matched my kinks and we had a satisfyingly naughty time.

Will see her again and again(if only my friend Mr FT Index would stop living in the basement)
