The Premises:

Massage parlour on a busy main road, easy to park outside, ok area, felt safe and secure.

The Lady:

Lauren is a very pretty 20 year old girl, better looking than in her photo's. She is curvy and busty, just my type!

The Story:

Started with a long massage, Lauren is very chatty and we had a good laugh while she gave me avert relaxing rub down. Got more intimate with some gentle ball stroking and then we moved onto the bed with Lauren getting naked , revealing her curvy body and ripe firm boobs - god I love 20y.o. Girls !

The punt was then fairly straight forward, covered b/j followed by sex with Lauren on top, she is very enthusiastic and I was a very satisfied customer by the time I had finished !

All in all a good punt with a great girl !
