### The Premises:

TJ's is a small parlour located next to a garage. Could do with some sprucing up.

### The Lady:

Porsha's pictures on the website are a lot better than in real life. Her face is not very attractive. She looks like a real hardened working girl off the streets. She does have a nice body with lovely large natural tits.

Also saw Maisy for a brief 2 girl for 10 minutes for an extra 20 quid. Maisy is much more attractive with a lovely curvy body. Smaller breasts than Porsha.

### The Story:

As soon as I saw Porsha I thought Ok she has a nice enough body to go on with the punt. I just won't look at her much. I did the normal stuff of sucking on her ample bosom and then she suggested Maisy for 10 minutes for a 2 girl. Maisy is much more attractive. I asked both girls to sit on my face one by one so I could munch on that pussy and arsehole. Both tasted nice. I then asked if they could piss on me. Only Porsha offers this service. She layed me on the floor and pissed on my dick. After cleaning up I took Porsha in all positions whilst playing with Maisy's tits and arse. Finally came on Porshas breasts. The whole session was very rushed. All over in 15 minutes. No DFK, GFE or PSE. Not raunchy or intimate at all.

TJ's is at the bottom end of the market and have a few ladies that have hardened working girl faces. I don't think I'll visit this place again but may appeal to some punters on a tight budget. I would recommend saving your hard earned cash and go to SandysSuperstars in Bury instead. Easily the best Parlour in Britain with the most beautiful ladies.
